

Puppies Receive When They Go To Their New Home

We Do Guarantee:

- 1st set of Vaccines
- Health Record (Including Shot stickers w/serial & batch #)
- Sample Bag of Puppy Food
- 1 year Health Guarantee
- Lifetime advice from breeder
- Modified Puppy Culture

We Do NOT guarantee:

- Height
- Weight
- Body Build

Parents give us a good indication of how they might develop, but is not 100% guaranteed. Puppies can get larger or stay smaller than their parents. We do our best to give an estimate of where they might fall at full growth (2 years of age is considered full grown) so please take this into consideration before purchasing a puppy from any breeder. Puppies are a living thing and can develop differently, even from the same litters.
